My Experiences

Senior Software Developer

Mar 2022 – Present

Taner Saydam, Kayseri

As a Senior Software Developer based in Kayseri, Türkiye, I've honed my expertise over two years of full-time self-employment. My experience is characterized by:

- ◆ Leading the development of complex software solutions.
- ◆ Implementing innovative features and functionalities.
- ◆ Collaborating with clients to understand and address their specific needs.
- ◆ Mentoring junior developers to foster growth and proficiency.
- ◆ Employing agile methodologies to ensure efficient project delivery.
- ◆ Conducting thorough code reviews to maintain high-quality standards.
- ◆ Continuously updating skills to adapt to evolving technologies.
- ◆ Cultivating a results-oriented work ethic to drive project success.

I consent to the processing of my personal data for the purpose of recruitment for the position to which I am applying.
